

COVID-19 Volunteer Waiver

The Milwaukee Rescue Mission has an important mission to assist people in need, especially in times of crises. We are also committed to the health and safety of our clients, staff and volunteers. The seriousness of COVID-19 is prompting the Milwaukee Rescue Mission to take steps to balance the demands of our mission while ensuring everyone's health and safety in delivering our services. Until notified differently, volunteers are asked to:

- Be free of any COVID-19 symptoms when coming to volunteer
- Refrain from volunteering if you have tested positive for COVID-19 or have been in contact with a person with a confirmed case of COVID-19 within the past 14 days
- Refrain from volunteering if you or someone in your household is at higher risk for severe illness from COVID-19
- Have your temperature checked with a digital forehead thermometer and answer a brief health questionnaire before signing-in
- Wear a mask while volunteering (please bring your mask, otherwise we will provide one for you)
- Use gloves when required and wash your hands following CDC guidelines before, during and after your shift
- Maintain 6 feet of distance from others when possible
- Complete a COVID-19 Volunteer Waiver

I, the undersigned below, hereby acknowledge that I have read the above requirements and agree to abide by them as long as they are in effect with regard to any activities I participate in with the Milwaukee Rescue Mission.

I waive and release and promise to hold harmless the Milwaukee Rescue Mission from any and all claims, demand, causes or action or injury, lawsuits, death, damages, losses, and liabilities, of all natures whether it is known or unknown, in law or in equity, that I may have resulting from participating in any activities, functions, programming and/or connected work and volunteering opportunities associated with the Milwaukee Rescue Mission.

By signing this waiver, I affirm that I am 18 years of age or older and therefore competent in agreeing to this contract.
